

SKI SEASON 2022/2023

# MRT FAMILY VOLUNTEER PROGRAM

LET'S GET INVOLVED!

# WHY GETTING INVOLVED MATTERS...

Meadows Race Team has a long, proud history of parental engagement. It's what has made our program so successful for 50+ years! It's core to our culture. Without our volunteers, we wouldn't be able to do all the fun things we get to do.

They keep us humming. Every successful ski race, Big mountain event, or event, like the ski ball, can be attributed to the work of our volunteers!

It's a big part of the program's success. Plus it's super fun! Plus, volunteering is a great way to get to know one another!

# VOLUNTEER COMMITMENTS

SKI SEASON 2022/2023

Volunteer opportunities give each family a chance to work off their volunteer days, add value to the team, and ultimately save each family money by not having to hire out.

Each MRT family commits to volunteer days. The requirement is 2 volunteer days for 1-day programs and 4 volunteer days for all other programs. For families who choose not to or cannot complete their volunteer commitment, there will be a \$100 fee per volunteer day.

Every volunteer needs to complete a volunteer liability release.

# SKI EVENTS

Number of Volunteers Needed: (100)/15-20 per event

**Commitment:** Initial committee kickoff meeting in November., committing to work at least one event which will include one pre-event meeting (1 hour) and the day of work (usually 6 hours)

**Description:** This committee helps manage MRT-hosted ski events including races, ski-cross, big mountain competitions, etc. Successfully hosting a race/event requires many volunteers and staff. When we host successful events, we have more opportunities to host in the future allowing more 'home' events which is a huge benefit to our athletes. All of the roles and jobs can be taught! With this committee, you will have the opportunity to work in one or several of these roles depending on your interest. volunteer Coordinator
